Statement of Purpose

The Forest Ecosystem Science Co-operative Inc. (Forest Co-op) is a partnership investing in forest science for the purpose of supporting sustainable forest management thereby reducing uncertainties associated with forest management decisions.

Vision Statement

The Forest Co-op will be recognized as a lead agency for developing science partnerships in support of sustainable forest management in Ontario.

Mission Statement

The Forest Co-op will co-ordinate the delivery of timely relevant forest science, networking forest practitioners and the science community.

Membership & Dues

Please check off the appropriate boxes which best describes your company, agency, organization or affiliation.

- (a) Any College, University or Institute engaged in research and / or technology transfer relative to the forest ecosystem.
(b) Any person or private agency engaged in providing consulting services or products of the Active Members.
(c) Any organization or agency which does not have a vested interest in the forest ecosystem but could benefit from the activities, research and / or products developed by the Forest Co-op.

An Associate Member does not have the right to participate in voting or run for election on the Board of Directors or to act as an officer. NOTE: Any Associate Member, whose contribution to the Forest Co-op and whose support of the Forest Co-op justifies such organization or agency becoming a Full Member, may apply to the Board of Directors for Full Membership classification.

Membership Dues for Associate Membership are \$2,000 per annum plus HST. Membership fees are due January 1st of each fiscal year. (The fiscal year is January 1st to December 31st.)

In applying for membership, it is understood that you have read and agree to the Code of Ethics of the Forest Co-op.
